

AcuEnergetics® Promotional A5 Flyer

AcuEnergetics® now has a standard promotional flyer, which you are able to take advantage of as a wellness Balancer/Practitioner. This means that you can have a fantastic, professionally designed flyer that is in line with the AcuEnergetics® brand. Branding experts worldwide recognize the benefits of having a strong, consistent brand, and this is one way you can be part of the growing AcuEnergetics® brand.

All you need to do is provide us with your specific details and we can do the rest. For consistency, all flyers will be the same and no changes can be made to the colour or style.

AcuEnergetics® can provide you with just the design of your flyers. You handle the printing. We will design your customized flyers and give them to you, in the form of a PDF for you to print yourself.

Cost: \$50. This cost is to cover the design time of creating your flyers, plus one set of edits.
Please note your card design needs to be paid for, before we can start the process.

Treatment & Wellness

a comprehensive healing modality for the world

AcuEnergetics® is a modern healing modality with a unique and effective approach to treating illness in the body. AcuEnergetics® understands that pain and dysfunction in the body and mind, is a result of congested energetic pathways - which can be opened to restore health and eliminate pain.

With its comprehensive understanding of the energetic physiology and anatomy of the body, AcuEnergetics® transforms pain and disease in the body and mind, by restoring the natural energy flow.

AcuEnergetics® has successfully treated a wide range of complaints including:

- sports injuries • back & neck pain • stress & panic attacks • low energy & chronic fatigue • menstrual & fertility issues • knee problems • aches & pains • depression • headaches & migraines • breathing problems • shoulder pain • burns • post surgery pain • grief & trauma • numbness • cancer support.

In addition to offering treatments for specific complaints, AcuEnergetics® also has a series of Wellness Balances to reduce stress and tension, increase energy flow, reduce stiffness, strengthen the immune system and bring about a feeling of deep relaxation and wellbeing.
